DÉPUTÉ | MP, BURNABY SOUTH | BURNABY-SUD

Dear Friends,

I am pleased to offer warmest greetings to Canadian Estonians as you mark Estonian Independence Day on February 24th in communities across Canada.

I would like to commend the Estonian Central Council in Canada on its enduring commitment to unite Canadian Estonians and help maintain their historical and cultural connections with Estonia. I am confident that you will continue to enjoy the positive relations you have built over the years — to expanding shared interests and creating opportunities to benefit all citizens.

New Democrats are ever mindful that diversity is our greatest strength, and our collective humanity continues to bind us together. We look forward to working together with Canada's Estonian community and building a stronger society where we all share in its successes.

On behalf of Canada's New Democrats, I wish all of you a joyous and memorable Estonian Independence Day.

Warmest regards,
